Dear Sir/ Madam,

I am writing to provide a brief reference for Action4London.

We have worked with the members of the team at Action4London for over a year now and have successfully completed several projects together.

We have worked together to assist the most disadvantaged tenants within A2 Dominion's portfolio, some suffering severe physical disability and great social disadvantages. Action4London's volunteers have shown a fantastic commitment over the last year to their voluntary work and share a genuine desire to help transform those they seek to help.

I would recommend other institutions utilise Action4London's substantial voluntary force to bring genuine change to their communities also.

Kind regards,

Julie Brooker | Volunteer Manager - London
