To whom it may concern

I am providing a reference on behalf of Shelter from the Storm to confirm that over the last 3 years, we have worked closely with the Kabbalah Centre and its associated charities and have had much success in our ventures, (in some cooking events and regularly cleaning initiatives at Shelter from the Storm))It has been a pleasure working together and would highly recommend other agencies to take advantage of the Centre's motivated and enthusiastic volunteering force to create further benefit to the community.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Sheila Scott'. The signature is fluid and cursive, with the first letter 'S' being particularly large and stylized.
