Dear Sir/Madam,

I am writing to provide a brief reference for Action4London.

We have successfully worked together with the members of the team at Action4London for a few months most recently in connection with the charity Family Mosaic.

Family Mosaic provides accommodation for some of London's most disadvantaged individuals. Action4London delivered on their offering very efficiently, volunteering to decorate run down accommodation to make it habitable for the tenants moving in. Action4London's volunteers showed fantastic commitment and care to their voluntary work. The tenants were totally delighted with the end result as was Family Mosaic and said they would not have been able to afford to have such work done to such high quality without their help. Action4London volunteers definitely demonstrated that they share a genuine desire to help transform the lives of those they seek to help.

We look forward to continuing to work with the organisation.

Yours sincerely,

Lauren Tobias  
Chief Executive
